**Eat fruit, veggies, beans, and
plant-based foods**

What is the Daniel's Fast?

The Daniel Fast is a religious dietary plan based on the biblical story of Daniel. It is a partial fast that is often undertaken by individuals or groups as a form of spiritual discipline, prayer, and seeking God's guidance. It is meant as a cleansing to enhance spiritual health through simplifying your diet.

In Christianity, it is a partial fast (usually 21-days), in which meat, dairy, alcohol, and other rich foods are avoided in favor of vegetables and water in order to be more sensitive to God. The fast is based on the lifelong kosher diet of the Jewish hero Daniel in the biblical Book of Daniel and the three-week mourning fast in which Daniel abstained from all meat and wine.

Your congregation is invited to witness the rich history of the Black diaspora at the world premiere of *The Lion Tells His Tale!* Suitable for ages 10 and up.

Watch as a cast of actors and dancers recreate the journey from Africa to enslavement, the Jim Crow era through today, celebrating the many contributions and influences of African Americans to our country.

The production is based on community scholar and second-generation storyteller Delbert Richardson's museum, The "Unspoken" Truths, which uses artifacts and storytelling to teach American history through an Afrocentric lens.

***The Lion Tells His Tale* brings the museum to life on stage in a brand-new theatrical experience you won't soon forget. Electrifying, entertaining, and educational!**
